

Austin Rhetoric Club Family Registration Form

This short form is for all families, veteran and new, for the year 2012-13. It provides us with the information necessary for planning the year and making the roster. It also provides the opportunity for each family to receive important information about the way ARC works together to achieve the goals of the club.

Note that speech and debate "Areas of Interest" are not binding. Also, leave blank any line that does not apply. For example, each child is not expected to have a cell number but some students will have a personal phone number.

Family Information

Surname _____ Address _____
 Home Number _____

	_____	_____	_____
	_____	_____	_____
	_____	_____	_____
	_____	_____	_____
	_____	_____	_____

***ARC is a family club.** As such, parents of competitive age students need to attend most meetings, help with coaching, help with judging, and be involved in generally helping out the club. On occasions when a parent cannot attend a meeting the parent needs to assign the oversight of the student(s) to another adult.

****New families may leave the "Areas of Interest" blank.** If you know your areas of interest please feel free to check them. This is not binding. What will be chosen is often worked out after the training season begins in September.

*****Parents of Juniors** need to be available to help in their classroom during speech time on a rotating basis. This usually is about once per month. After 6:00PM (during the dinner break and debate time) parents are responsible for supervision of their own under age (age 6-11) or uninvolved children. If the parent is busy, proper arrangements with other parents will be needed.

Thank you.
